

Release

RELEASE is a premium quality presoak concentrate designed to be used in automatics and as a prep detergent in full serve carwash applications. RELEASE is a new detergent technology formula that allows quick penetration on bugs, dirt, and oil and road film in a minimum amount of time.

Note: As with all chemicals, this product should be pretested to determine suitability to surface being cleaned.

Contains strong alkaline builders and silicates.

DIRECTIONS: Mix $\frac{1}{4}$ to $\frac{3}{4}$: 1 for a concentrated stock solution. Adjust metering device according to specific needs and type of equipment used. Dilution may vary depending on soil conditions, temperature and speed of removal desired. Consult sales representative for proper dilutions.
