

# Presto Powder

## Green Tire & Engine Cleaner

Presto Powder Tire Cleaner is a premium grade, non-caustic, buffered alkaline formulation. It is safe for all type tires and wheels and wheel covers. Will not cause damage to finish if rinsed properly. Also, excellent as a degreaser and engine cleaner fortified with a light solvent for quick penetration. Presto's orange powder turns green when combined with water and quickly penetrates to soften brake dust, dirt and greasy surfaces.

**APPLICATION:** For use in all automatic and self service car washes. Apply directly under low pressure followed by high-pressure rinse.

**MIXING INSTRUCTION:**

**Stock Solution:** 1 pound to 5 gallons water (1:40). For automatic powder dispensers follow manufacturers instructions.
